14 the explanation's substance by the members of the general assembly.

15 This bill provides for the addition of biological parent
16 information of an adult adopted person to an original
17 certificate of birth through reestablishment of the original
18 certificate of birth.

19 The bill provides that notwithstanding whether an original
20 certificate of birth is substituted with a new certificate
21 of birth following adoption of the subject of the original
22 certificate of birth, whether a new certificate of birth is
23 issued to show that a person for whom the new certificate is
24 requested has been legitimated or that paternity of that person
25 has been determined, or whether a new certificate of birth
26 is issued to show paternity if paternity is not shown on the
27 original certificate of birth, an adopted person who is the
28 subject of the original certificate of birth who was born in
29 this state, who is at least 18 years of age at the time the
30 application is filed, and whose original certificate of birth
31 was substituted with a new certificate of birth pursuant to
32 Code section 144.24 based upon the adoption, may apply to the
33 state registrar to reestablish that original certificate of
34 birth to include the name on that original certificate of birth
35 of an omitted biological parent.

1 The bill includes requirements that must be met prior to
2 reestablishment of an original certificate of birth under
3 the bill including: the adopted person shall file a written
4 application, along with proof of identification, with the
5 state registrar consenting to the adopted person's original
6 certificate of birth being reestablished to include the name
7 of an omitted biological parent; and the adopted person shall
8 obtain and submit to the state registrar an affidavit with
9 substantiating evidence, from either the person whose name is
10 to be added as a biological parent if that person is living or
11 from a specified representative of that person if that person
12 is deceased, attesting that the person whose name is to be
13 added as a biological parent is a biological parent of the
14 subject of the original certificate of birth and that the name
15 to be added is that of the biological parent that was omitted
16 from the original certificate of birth.

17 A reestablished original certificate of birth registered
18 under the bill shall be marked reestablished and a summary
19 statement of the evidence submitted in support of the
20 reestablished original certificate of birth shall be endorsed
21 on the certificate.

22 If an original certificate of birth is reestablished under
23 the bill, an adopted person as described in Code section
24 144.24A (access to original certificate of birth — application
25 — contact preference form — medical history form — fees)
26 or an entitled person as defined in Code section 144.24A may
27 apply for and obtain a noncertified copy of the reestablished
28 original certificate of birth subject to compliance with the
29 requirements for applying for and obtaining a noncertified copy
30 of an original certificate of birth under Code section 144.24A.

31 The bill provides definitions for terms used in the bill
32 including "personal representative", "relative", "successor",
33 and "trustee".

34 The bill directs the state registrar to adopt administrative
35 rules relating to establishment, collection, and deposit of

1 fees for preparation and registration of a reestablished
2 original certificate of birth and for issuance of a
3 noncertified copy of a reestablished original certificate
4 of birth; the consent and affidavit forms; the proof of
5 identification requirements relative to the provision of
6 consent by the subject of an original certificate of birth
7 to reestablishment of the original certificate of birth; and
8 the evidentiary requirements to substantiate that a person is
9 an omitted biological parent of the subject of the original
10 certificate of birth.

11 The bill makes a conforming Code change to include an
12 exemption to provide that the original certificate of birth may
13 be subject to inspection for the purposes of reestablishment
14 under the bill.

15 The bill also makes conforming changes in Code section
16 144.24A to reflect the provisions of the bill relating to
17 issuance of a noncertified copy of a reestablished original
18 certificate of birth.
